Subject: Request to Attend the Jamf Nation User Conference 2019

Dear

I'd like your approval to attend Jamf's next annual customer conference, the Jamf Nation User Conference (JNUC) 2019, which is taking place on November 12-14, 2019, in Minneapolis, MN. JNUC is the largest gathering of Apple system administrators in the world and annually offers community presentations from the likes of Apple, IBM, Microsoft and more, deep-dive expert sessions on best IT practices and product insights from thought leaders in the industry.

Focusing on new and better ways to manage Apple devices with the purpose of empowering people, transforming business processes and making IT life easier, this year's event will be the biggest and best yet.

Why I should attend:
- Solve IT problems that impact our organization.
- Get ideas that help me take our investment in Jamf Pro and Apple to a new level.
- Learn about new and future Jamf Pro features to empower our users.
- Share real-life experiences, gain insight and connect with my Jamf Nation peers.
- Meet and mingle with Jamf product, implementation and support experts.

I estimate the approximate cost to attend JNUC 2019 will be:

Conference ticket ([check for current pricing tier*](#))	$
Discounted hotel (nights at $ /night)	$
Airfare and transportation	$
Travel expenses and incidentals**	$
Total	$

Thank you for considering this request! I look forward to your reply.

Cheers,

*Conference ticket prices will increase on specific dates as the conference gets closer.
**Breakfast, lunch and after-hour mini events are all included in the conference ticket price.
